Re: Termination of Supervision - Local Union 78, Long Island City, New York

Dear Brothers and Sisters:

Upon the recommendation of Vice President and Eastern Regional Manager Raymond M. Pocino, I am lifting the Supervision over Local Union 78, Long Island City, New York, and restoring its autonomy effective February 5, 2021. Supervision is being lifted as a result of the achievements and progress made to protect the Local Union as an institution, preserving its integrity and stability, restoring democratic procedures, preserving its status as a bargaining representative and preserving general operational stability.

The Supervisor will relinquish control over the affairs, assets and property of Local Union 78. Upon the termination of Supervision, the officers of Local Union 78 will be those in office at that time, including both those elected at the last regular election of officers and those holding office by nature of appointment to fill vacancies. In the event there are vacancies, the Executive Board shall fill those positions pursuant to Uniform Local Union Constitution Article VI, Section 3(m). These officers will remain in office until the 2021 elections.

The officers of Local Union 78 are instructed to distribute this notice to members of Local Union 78 through whatever means the Local Union normally uses to communicate with its members. You are also directed to post a copy in a conspicuous place in the Local Union's office.

Confident that the Supervision has served its purpose to strengthen Local Union 78 and extending my best wishes, I am

Fraternally yours,

TERRY O'SULLIVAN  
General President
